

Operational Procedure for Examiners

This Protocol should be read together with the Canadian Physiotherapy Association (CPA) Guideline for Returning to In-Person Education.

For the purpose of this Procedure, the term “attendees” refers to candidates, examiners, and assistants.

Examination Procedure

- Due to cross-border travel restrictions and the ability to limit viral contamination, examinations will be held in the provinces in which all attendees reside.
- The examiners are responsible for cleaning the station and all equipment before and after each candidate makes use of the station and equipment.
- All attendees must complete the two-step pre-screening in accordance with the CPA Guideline for Returning to In-Person Education.
- All attendees must comply with the Infection Control Protocol.
- Number of attendees will be determined based on Public Health Agency of Canada (PHAC) and the applicable Office of the Chief Medical Officer of Health recommendations and may vary from province to province.
- Attendees shall be respective of current applicable provincial social distancing requirements.
