

GOLDEN HANDS AWARD

The late David Lamb was one of the pillars on which the Canadian Academy of Manipulative Therapy was built. A contributor to Grieve's Modern Manual Therapy, David was a world-renowned manual therapist, serving as a member of the Standards Committee for the International Federation of Manipulative Therapy (IFOMT) between 1972 and 1976 and was its Chair from 1976 to 1990. He also served on the IFOMT Membership Committee since 1992. From 1977 until 1996 he lectured extensively and conducted courses on all levels of manual therapy across the globe. The **Golden Hands Award** of the National Orthopaedic Division is given in honour of David Lamb to an exceptional orthopaedic physiotherapist that exemplifies the commitment to our profession in manual therapy, education, mentorship and research.
