STRATEGIC PLAN

2026 - 2030

VALUES

Excellence

We advance excellence through innovation, leading-edge education, evidence-informed practice and collaborative leadership.

Community

We grow and nurture a community of leaders by creating a culture of collaboration, mentorship, knowledge-sharing and professional growth.

Member-Centered

We value our members' contributions; their voices are heard and central to our success.

Sustainability

We strive for growth, financial sustainability and accountability.

Innovation

We leverage opportunities with a progressive mindset in response to a dynamic landscape.

Inclusivity

We commit to fostering an inclusive environment where diverse perspectives are valued. We promote equity and accessibility so everyone experiences belonging.

VISION

"A community that inspires excellence in physiotherapy and transforms musculoskeletal practice."

MISSION

We are committed to advancing musculoskeletal physiotherapy to guide meaningful changes that improve health outcomes. We achieve this through innovative and inclusive learning experiences, knowledge translation and collaborative leadership.
